Required courses for grade 11 include an English, Math, Science and Social Studies- options are laid out below

Notes:

- Courses should be listed in order of importance- for example, all required courses for gr. 11 should be at the top, and electives should be listed at the bottom. Required courses for gr 11 are indicated above.
- Within the required courses, there are still some options to meet these requirements:
 - English Requirement: *ENG 521A Academic English or ENG 571 Literacy Interventions*- Recommendations will be made by current English teacher
 - Math Requirements: *MAT 521A Academic Math, MAT 521B Pre-Calculus Math or MAT 801 'Trades' Math* (must register in if took MAT 421K)
 - Science Requirement: *BIO 521A, CHM 521A, PHY 521A* (need SCI421 to take these, many people try all 3 in gr. 11, others will look up what the requirements are in gr 12 for the program they wish to take in post-secondary and take their equivalent in gr. 11) *AGS 621 Animal Science* (the last is an option if you took SCI421 or SCI 701 in grade 10)
 - Social Studies Requirements: you need a total of two or more social studies courses for graduation requirements. If you **did not** take GEO 421A in grade 10, you need a Canadian content SS, your options are: *LAW 521A, HIS 621A Canadian History, HIS 621B PEI History*. If you **did take** GEO 421, you can choose from the previous list, or look at these options (more than one can be chosen in your plan): *ECO 621A Economics, ENT 521 Entrepreneurship, POL 621 Political Studies (online), GEO 621 Global Studies* (depending on course pre-selection happen Wednesday, March 24)
- Electives: once you get the top 4 courses filled, you can then add more courses to make up your 8 slots, plus choose 2 alternates. Some options you can choose from are: *Other science courses, Other social studies courses, Flexible learning options such as ISC 521 or CMP 521, Arts based courses like MUS 521/801 or DES 701, CWS 501 or 502, Trades courses, CUL 801, LED 621 (Leadership), ACC 621, PHP 501, RES 501, PED 801 or Transitions 602 @ Holland College*
- ** if you are registering for a course that is 2 credits (course code ends in a 2) you will only fill in 7 courses to make 8 credits **if you are registering for a trades course you must choose 2 such as CAR 801A and CAR 801B
- If you are in ADP please remember you need 1 agriscience courses and a co-op course (either CWS 501, 502, 601 or 602) in an agriculture field
