REGISTRATION AT
KRHS 2022**

FOR STUDENTS ENTERING GRADE 12

OVERVIEW

- ✓ The Credit System
- ✓ Graduation Requirements
- ✓ Post- Secondary Admission Requirements
- ✓ My Blueprint Registration

THE CREDIT SYSTEM

- KRHS runs on a semester system
- Students take 4 courses from September to February and 4 courses from February until June
- Students must earn 50% in a course to receive credit
- Most courses are worth 1 credit

COURSE CODING

Each unique course code is composed of seven characters, with a course title associated with it.

Example: MAT521A – Foundations of Mathematics 11

Subject Description	Grade	Category	Credit Value	Program Identifier The seventh digit is used as a program identifier as well as to distinguish between courses that would otherwise be identical in their coding.
(3 characters) MAT	(1 character) 5	(1 character) 2	(1 character) 1	(1 character) A
e.g., MAT = mathematics HIS = history	4 = Grade 10 5 = Grade 11 6 = Grade 12 7 = Grade 10 or 11 8 = Grade 11 or 12 9 = Grade 10, 11 or 12	0 = Open 1 = Enriched or Advanced 2 = Academic 3 = General 5 = Practical 6 = Modified Program	0 = no credit (for Grades 7-9) 1 = one credit 2 = two credits 3 = three credits 4 = four credits 5 = one half credit	A to E, K = English-language courses F to J = French immersion courses M to Q = French-language courses S = AP courses T = external credential W to Z = local program courses

GRADUATION REQUIREMENTS CHECKLIST

POST-SECONDARY ADMISSIONS

WHY YOU NEED TO BE THINKING ABOUT THIS
NOW

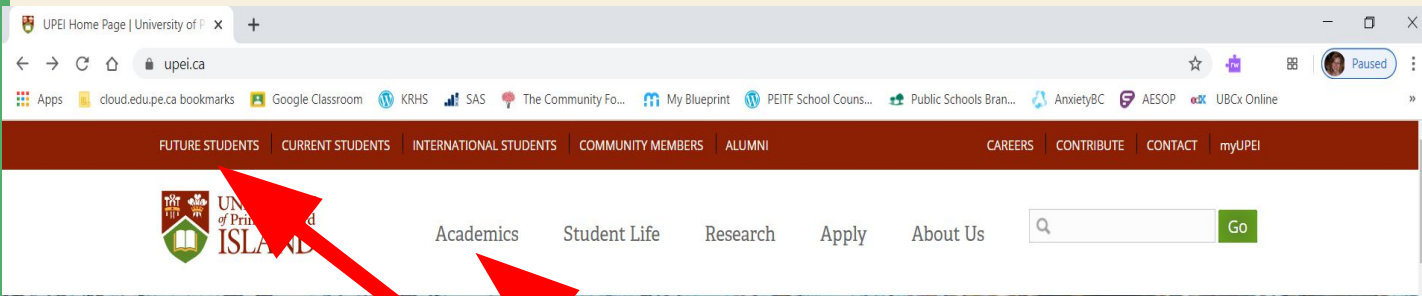

UNIVERSITY VS. COLLEGE

University

- Admission requirements will vary by program applying to
- Generally need 5 academic grade 12 level courses (621 and 611), including ENG 621
- Other 4 courses will depend on program applying for
- Min 70-75% average, competitive programs will require higher

College

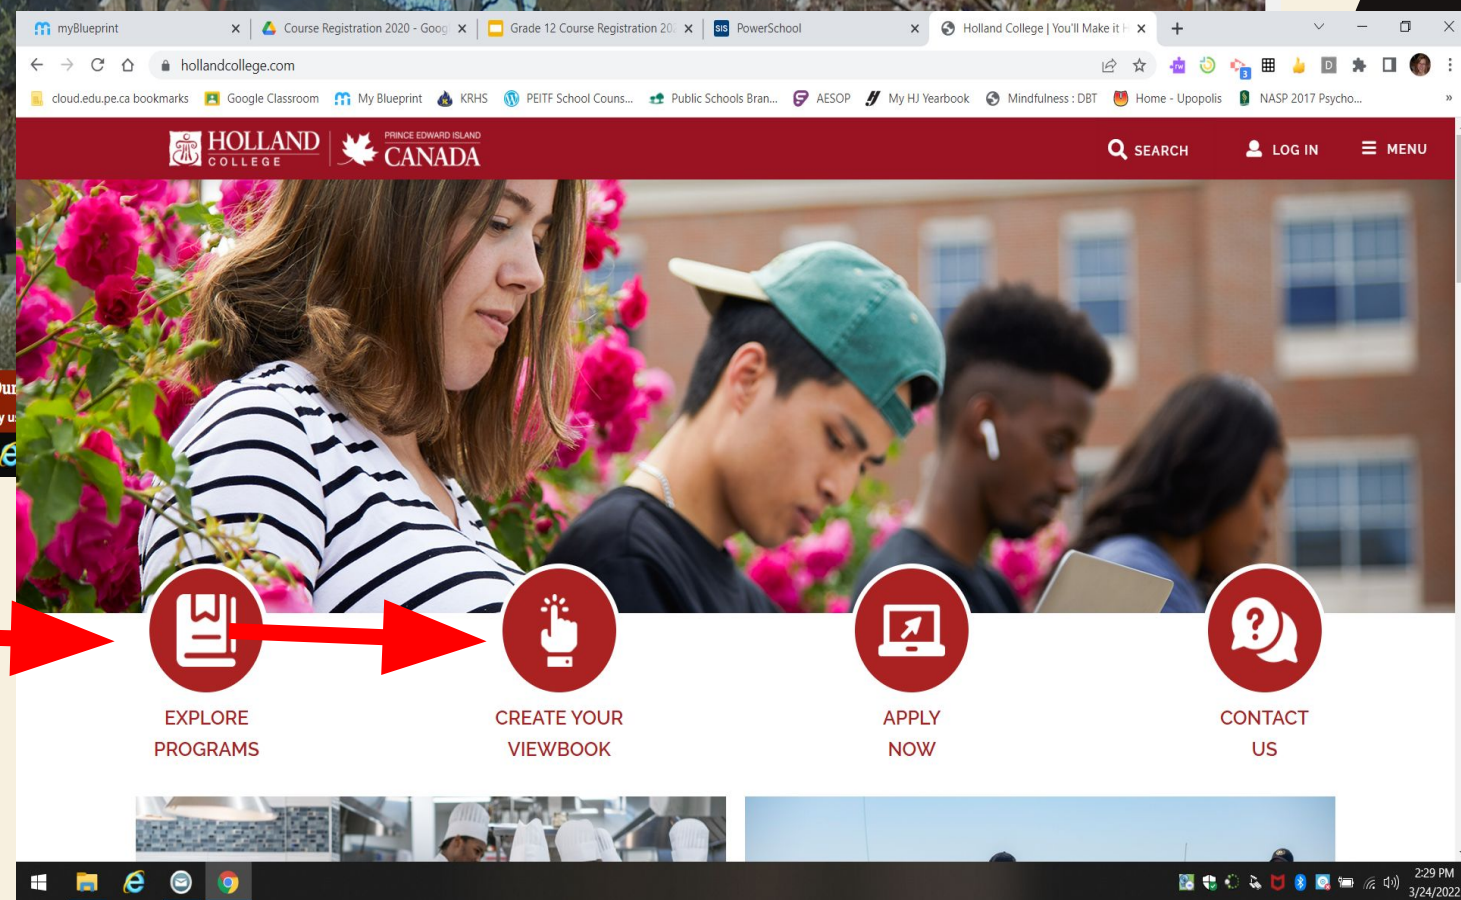

- Can be more competitive than university admissions
- Each program will have its own set of requirements varying from successful graduation from gr. 12 to needing gr. 12 physics
- Having involvement/ extra curriculums/ volunteering within your field of interest helps your application for admissions, i.e. taking high school trades courses if applying to a trades program at college

Gr. 12 students are only required to take ENG 621 or 671, but you need to fill out the rest of your schedule with graduation/ PSE requirements

- Courses should be listed in order of importance, including your electives- required at top
- Follow along with the “cheat sheet” posted on the school website
- Keep in mind the following things:
 - Graduation requirements
 - Post-secondary admission requirements
 - ADP requirements
 - Are you registering in the right level course? Eg. MAT 621A vs. 621B vs. 611 vs. 621K
 - Did you fill in your 2 alternates?

The only required course for gr. 12 is ENG 621 or ENG 671

The other courses you take must help you fulfill graduation requirements and admissions requirements for post-secondary school

Notes:

- Courses should be listed in order of importance- for example, all required courses for gr. 12 should be at the top, and electives should be listed at the bottom. Required courses for gr 12 are indicated above.
 - When choosing your grade 12 courses you must keep in mind high school graduation requirements: **3 English courses at each level, 2 math, 2 sciences, 2 social studies (1 must be a Canadian content), CEO 401, PED 401, 1 creative credit.** Plus, you **MUST** have 5 credits at the grade 12 level (621 or 801), one has to be ENG 621 or ENG 671. Overall, you need a minimum of 20 credits.
 - You must also take into consideration what the admission requirements are for the post-secondary program of your choice. Just because you have the requirements to graduate, DOES NOT mean you have the requirements for university or college. Check the post-secondary school's website for this information
 - ** if you are registering for a course that is 2 credits (course code ends in a 2) you will only fill in 7 courses to make 8 credits
 - ** if you are registering for a trades course you must choose 2 such as CAR 801A and CAR 801B
 - If you are an ADP student please remember you need 1 ~~arg~~ science class and a co-op in an agriculture field
 - Please chose 2 alternate courses- ones you could take if you weren't able to get into one of your courses in your registration
 - Some options for elective courses/ alternate courses include: **Other science courses, Other social studies courses, Flexible learning options such as ISC 521 or CMP 521, Arts based courses like MUS 521 or ART 501, CWS 501 or 502, Trades courses, CUL 801, FAM 621, ACC 621, PHP 501, RES 501, PED 801 or Transitions 602 @ Holland College**
- ** if you have any questions about your graduation requirements or post-secondary requirements please email Mrs. McCarthy at jlmcCarthy@edu.pe.ca**

GR. 12 REGISTRATION CHEAT SHEET

WHAT TO DO WHEN FINISHED?

- Double check your selections. Once it is submitted you cannot change it. We use these course registrations to build next years schedule and “switching” to another course next year might not be possible
- Check your selections against the “Graduation Requirements Checklist” to make sure you have all required courses
- Hit “SUBMIT” when you are satisfied with everything
- We will be printing off sign off sheet for you to take home for your parents/guardians to sign and return to Mrs. McCarthy
